

Jin Shin Jyutsu® / Acupressure

Jin Shin Jyutsu facilitates the body's profound healing capacity by balancing energy. Jin Shin Jyutsu treatments support the body, mind, and spirit through non-invasive, gentle touch that is administered while the individual is fully clothed. While similar to acupuncture and acupressure, Jin Shin Jyutsu does not use needles, pressure, or rubbing.

Jin Shin Jyutsu can help:

- Reduce fatigue
- Increase energy
- Support each body's unique healing potential
- Support and complement other medical treatments
- Improve bodily functions
- Promote a sense of balance and harmony in body, mind, and spirit

Individuals will also learn simple self-help treatments during their session to support healing at home.
