

Adult, Child + Infant CPR

for Southern Marin Mothers' Club Members

Topics covered in this course will include responding to choking, stroke, heart attack, and sudden cardiac arrest, as well as emergency action steps, airway management, rescue breathing, chest compressions, cardiopulmonary resuscitation (CPR), and AED use and operation. After evaluating your knowledge and hands-on skills in accordance with Health and Safety Institute (HSI) program standards, your instructor will issue you a certification in Adult, Child + Infant CPR. Please complete a separate RSVP for each individual/parent attending.

Instructor:

Your instructor will be Lori Garcia. Lori is an American Heart Association (AHA) Instructor, American Safety and Health Association (ASHA) Training Center/Instructor, Medic First Aid Instructor, Pediatric CPR Instructor for MarinHealth Medical Center Volunteer Services and has received a Life-Saving Award from the Novato Fire District.
